MEMORANDUM FOR: Director of Logistics

SUBJECT: Follow-on of Project OXYGAS (Dolphins) with [redacted]

1. The Office of Research and Development requests that funds in the amount of $80,000 be transferred to the Office of Naval Research in order that follow-on contract negotiations can be initiated by Navy on Project OXYGAS. Dr. Sidney Galler, Office of Naval Research, is the cognizant Naval official on this project. The use of the [redacted] for the initial contract with [redacted] has proven to be a very effective system.

2. There are no recommended changes in previous security and sterility code arrangements. [redacted] Extension 5155, will continue as Project Officer on this contract and will monitor its execution.
