MEMORANDUM FOR: Director of Research and Development

THROUGH : Acting Deputy Director for Science and Technology

Bob:

This will confirm our conversation today. I have spoken with Tom Karamessines and the Director about continuing Project KECHEL with ARPA financing. I emphasized to you that this must be major financing.

I have also agreed to review with Carl Duckett and Tom Karamessines at an early date the earlier decisions made with regard to the following projects:

OXYGAS
AXIOLITE
KECHEL and its related OLITRAY
