REFERENCE NOTES

Documents cited in this study are available in the Headquarters ADC Historical Directorate, the Headquarters USAF Historical Division, or in the files of ADC lower-echelon units. The document location is shown by the following abbreviations:

DOC ____ . indicates that the document is a supporting document to this study only and is located at the Headquarters ADC Historical Directorate and the Headquarters USAF Historical Division.

ADCHR # ____, Doc ____ . (#1 covers period to June 1951, #2 to December 1951, etc.). indicates that the document has been used as a supporting document to a previous Headquarters ADC Historical Report, as shown, and is located at the Headquarters ADC Historical Directorate and the Headquarters USAF Historical Division.

ADC Unit, Semi-annual Period, Doc ____, e.g., WADF, 1951A, Doc 235. ("A" refers to the period 1 January to 30 June, "B" to 1 July to 31 December.). indicates that the document has been used as a supporting document in an ADC lower-echelon unit and is located in the particular unit's files, at the Headquarters ADC Historical Directorate, and at the Headquarters USAF Historical Division.

HRF : ____ . indicates that the document has not been used in a previous history and is located only in the Headquarters ADC Historical Directorate's Historical Reference Files.
