ALERT PROCEDURES

1. In order for this organization to properly perform its mission during an EMO or EMO Exercise the following will be used to determine status of personnel:

a. Loading Section:

- (1) One (1) crew on 30 minute alert (Alert Crew).
- (2) Three loading crews on a 1 hour alert.
- (3) Four loading crews on a 2 hour alert.
- (4) The remaining crews will be on a 4 hours alert. Leaves, passes, etc. will be from these crews.

b. Assembly Section:

- (1) Assembly personnel will be working on three crews in two shifts. One crew will be assigned to "Apple Cider" work and will normally work 0800-1700. The other two crews, A and B will work in shifts as follows:

<u>DATE</u>	<u>0800-1700</u>	<u>1700-0100</u>
1-4 October	Crew A	Crew B
6-11 October	Crew B	Crew A
13-18 October	Crew A	Crew B
20-25 October	Crew B	Crew A
27-31 October	Crew A	Crew B

- (2) For alert recall purposes, the crew on duty will act as the  $\frac{1}{2}$  hour alert crew during its shift. The crew terminating duty at 1700 daily will be on  $\frac{1}{2}$  hour alert during the period 0100-0800 daily and from 0100 Saturday until 0100 Monday. The crew scheduled for duty at 0800 Monday will be on  $\frac{1}{2}$  hour alert from 0100-0800 that day. Crew not on  $\frac{1}{2}$  hour alert will be on 4 hour alert.

SUBJECT: Programming for ADS Requirements during Month of  
 November 1958

TO: Commander, 100th Bombardment Wing  
 Commander, 509th Bombardment Wing  
 Commander, 817th Air Base Group

1. In accordance with Division Policy Letter #21, 1 June 1958, the programming conference was held on 10 October 1958 to review training progress of 41st ADS and to determine support requirements to be provided the 41st ADS during November 1958 by Bombardment Wings on this station. Personnel attending the conference and representing their respective organizations were as follows:

Major R. C. Drebelbis	817th Air Division
Major F. C. Terrill	509th Bombardment Wing
Captain W. H. Dye	100th Bombardment Wing
Captain C. O. Raine	41st Aviation Depot Squadron
Captain C. E. Hanson	509th Bombardment Wing
M/Sgt J. G. Richert	100th Bombardment Wing
M/Sgt F. W. Daniels	41st Aviation Depot Squadron

2. The following requirements are levied to support the ADS training program during the month of November:

a. The Commander, 100th Bombardment Wing will:

(1) Provide one (1) B-47 aircraft from 0630 to 1830 hours on 5 through 7 November 1958 in 6/6 configuration.

(2) For scheduled evaluation, the week of 17 through 20 November 1958 the following aircraft will be provided from 0700 until completion on dates indicated:

17 Nov - one (1) B-47 6/6 configuration  
 one (1) B-47 36/1 configuration

18 Nov - one (1) B-47 6/6 configuration  
 one (1) B-47 36/1 configuration

NO, Subj: Programming for ADS Requirements during Month of November
