MEMORANDUM FOR:

SUBJECT: Maintenance of Trained Animal Capability

1. My attention has been directed to several possible approaches involving trained animals.

2. To make it possible to assess the feasibility of this approach, it is requested that personnel be assigned to those tasks any necessary training and guidance.

3. It is my understanding that this effort will require no more than approximately 50 personnel through this fiscal year at this modest level. New, selected, or reenlisted personnel are in contact with appropriate personnel in order to work out an appropriate test and training agenda.
