1. A recommendation for your approval is contained in paragraph 6.

2. The program relating to the utilization of trained animals has provided useful information to the capability for the transport and vehicle, and the development of several sets of data for evaluation as vehicle. The work with is directly related to specific requirements, and it is planned that will provide funds in the amount of in FY 1970 for continuation and improvement of this trained animal capability.

3. Additional R & D support by an agency in the field of value to in providing more
optimized systems, as well as new system concepts for Agency applications. I understand that there are no funds programmed for R & D support of the trained animal program by

for FY 1970.

I think a modest level of forward looking R & D activity designed to improve the guidance systems and operational versatility of various animals should be maintained. I, therefore, recommend that you approve such a research effort for FY 1970.
