PLEASE SIGN AND RETURN

Received from ___ one (1) copy of the following:

"Radiation Field Photography," by Thelma Moss, Ph.D., & Ken Johnson,
Article taken from Psychic Journal, July 1972 (UNCLASSIFIED)
8 March 1972

PLEASE SIGN AND RETURN

Received from— one (1) copy of the following:

1. [CONFIDENTIAL]

2. Dyfonate Soil Insecticide Technical Bulletin by Stauffer Chemical Company, UNCLASSIFIED

3. Uptake and Distribution of Dyfonate in Seedling Corn Plants by J. B. McBain and J. J. Menn, Stauffer Chemical Company, UNCLASSIFIED

Date

3/4/72
3 March 1972

PLEASE SIGN AND RETURN

Received from nine (9) electromagnetic photos (Unclassified)

\[3/3/72\] Data

What is status of this?
7 December 1971

PLEASE SIGN AND RETURN

Received from [ ] (1) one copy of the following:

(Unclassified)

[ ]
Date 12/10/71

Return or Destroy
3 December 1971

PLEASE SIGN AND RETURN

Received from [ ] (1) copy of the following:

Study of Incapacitating Darts

12/10/71
Date

Return 2-6-71

Return
December 1, 1971

PLEASE SIGN AND RETURN

Received from ___ One (1) copy of the following:

"Investigation of the Effects of Noise, Light, and Other Stimuli on..."

Date ____________

*This document is for your information only. Please return when through.
10 November 1971

PLEASE SIGN AND RETURN

Received from one (1) copy of the following:

Material sent to
1.  
2.  
3. Letter to J
4. Memo to J 
5. Letter to J
6. A Proposal for the study of Intense Flash Incapacitating Systems
   October 1970
7. P.I. Light EXP, INVESTIGATION-FLASH BLINDNESS
8. P.I. Light TEN-EYE SAFETY REMOBRGRPHS
9. Introduction to Section V
Effects of Flash Blindness and Retinal Burns on Pilot Performance
1. House Material
   A. Bibliography
      B.  [Handwritten note: 18 September 1969]

2. Proposals:
   A.
   B.
   C.
   D.
   E.

3. Non-lethal Personnel Incapacitation System

4. Experimental and Analytical Study of a Non-lethal Restraining System for Personnel Incapacitation

5. For Evaluation and Development of Various Methods for Non-lethal Personnel Incapacitation

6. Preliminary Survey of Insurgency in Urban Areas

7. Nonlethal Weapons for use by U. S. Law Enforcement Officers

8. Stun Gun

9. Ferret Price Schedule

10. Nonlethal Agents in Crime and Riot Control (U)

11. New Incapacitating Agents (U)

12. Defense Documentation Center

13. Report Bibliography

14. Table I. Categories of Criteria for Nonlethal Weapons

15. Report of Investigations into Methods of Mob Dispersal and Evasion

17. Summary of the feasibility of the Tearspot Nonhazardous 40mm Grenade Launcher-Fired Incapacitating Agent CS Munition

18. Investigation of Non-lethal Personnel Incapacitation Systems
   Unidynamics/Phoenix Research Department

19. P.I. General - 4 Special Bibliography - Defense

20. P.I. General - 2 Coming: Fantastic theories to end riots

21. P.I. General - 1 A detailed bibliography of crowd & riot

22. Analytical Methods for Analyzing Signals in Optical Impairment Experiments (U)
23. P.I. (light) - 1 Calculation of Optical Effects of Flashblindness
24. P.I. light - 8 Visual Impairment From Exposure to High Intensity Light Sources
25. P.I. light - 7 Study of Flashblindness Effects Using Naval Aircraft
26. The Rare Gas Bomb for Night Aerial Reconnaissance
27. High Intensity Illuminant for Night Reconnaissance
28. The Noble Gas Bomb
29. P.I. light - 16 Comparative Tests on Eye When Using "D" Diameter
30. P.I. light - 17 1964 Technic-motion Proposal Use of Flashing Light
31. Defense Documentation Center (Induced effects in the human eye by intense visible radiation)
32. Defense Documentation Center (optically induced impairment of vision)
33. P.I. Sound 28 - A Fifty Thousand Acid
34. P.I. Sound 29 - Feasibility of Using Acoustic Energy for Military Applications
35. P.I. Sound 31 - Report Bibliography-Sound Weapons
36. P.I. Sound 30 - An Improvised System
37. Electric Shock as it pertains to the Electric Fence
38. P.I. Chemical 1 - Series of reports on Chemical warfare. The Tactical
39. P.I. Impact 1 - Non-lethal incapacitation weapon
40. 

I acknowledge receipt of the above items.
