 Evaluator's Estimate: _____

E. SESSION SUMMARY:

There is currently a dispute between two individuals, with a subsequent breakdown in the operational time schedule intent. The name ^{a term} BLOCKER was perceived.

The op is on hold. Timing, now, is critical. There is a "power play" between two groups. Someone or some group have intentions to remove vessel from current location, load it and then abandon it. Plans are to hijack either (C) the cargo ^{for} the boat. This is being considered by "local" types, who have been watching & following the vessel.

 12/1/92

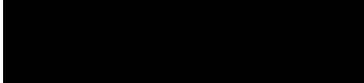

Something very strange with the interior of the vessel. Numerous walls, floors, etc are covered with a dirty, sticky material reminiscent of used, dirty petro or oil. The concept of decay is very strong here. One or more personnel originally with the op are no longer involved. Overall impression is that the double-crossers are they themselves, going to be double-crossed.
