SUMMARY OF INFORMATION

Thomas Sutherland is currently "isolated" and located in the area known as "Anqun" which is located less than five miles southeast of Sidon. See ENCLOSURE 1.

The name "Fromters/Frothers" and variations thereto phonetically surfaced as the name of a person currently involved in current negotiations related to the release of hostages, particularly that of Edward Tracy and Frank Reed. The name "Werner/Warner" resurfaced and described as an "arbitrator" in the negotiation process.

In the order of releasability, USMC LTC Higgins and Thomas Sutherland appeared projected as the first hostages to be released from captivity. Terry Anderson remains projected as the last hostage to be released from captivity.
