SUMMARY OF INFORMATION

USMC LTC William (Rich) Higgins continues to be secluded from the other hostages; at this time, he is continually on the move. USMC LTC Higgins is currently located in the immediate vicinity of As Sharbin. See "A" ENCLOSURE 1. On or about 10 January 1989, he will be located in the area of Wadi az Zaynah. See "B", ENCLOSURE 1.

Although Terry Anderson is the subject of increased and intensified negotiations, his release is not imminent. Anderson is alone and currently located in the area of Magsabah al Jiyah. See ENCLOSURE 2.

Thomas Sutherland is also alone and currently located in the immediate vicinity of Ayn Ad Dulb. See ENCLOSURE 3. He is considered an educator whose status is devoid of political entanglements. And, he is in excellent physical condition. The captors feel he should be among the first to be released because of the favorable impression he can create among the press.

Terry Waite is in the company of two other English hostages.

Higgins, Anderson and Sutherland are constantly on the move, in a continuing shuffle from one safe haven to the next.
