SG1A a. There was a woman who [redacted] is keeping there for the purpose of beating and sexually abusing.

b. There are guards all around the home.

c. There are "business" people coming and going in great confusion.

SG1A I got the impression that [redacted] was performing a "loyalty drive", and that those who did not give their loyalty, did not survive.

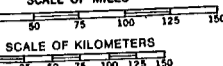

d. When I directly addressed the question "where is this?", the answer received was the home of "Juan de (garbled: Cave, Cabe, Caveso, Cabeso, etc.). I also got the impression that this "Juan" had been recently killed.
