SUMMARY OF INFORMATION

Target is walking down a city street. It is hot and humid. He is wearing a blue, short-sleeve shirt (the kind you don't tuck in) and tan pants. He has cut his hair very short and "stylish" he still has his mustache. He is carrying a bag. Hidden inside is a semi-automatic pistol (black and flat) and several magazines (10+ rounds each). He is on the way to an office/shop. The shop/office has a glass front and is on ground floor. When one enters from the street one is immediately faced with a long counter the width of the shop. Behind the counter the office is one big open room with a number of desks where people are working. When target walks in a chubby man with thick, mainly gray (some black but mainly silver/gray) hair will greet him. Could not determine the purpose of the office.

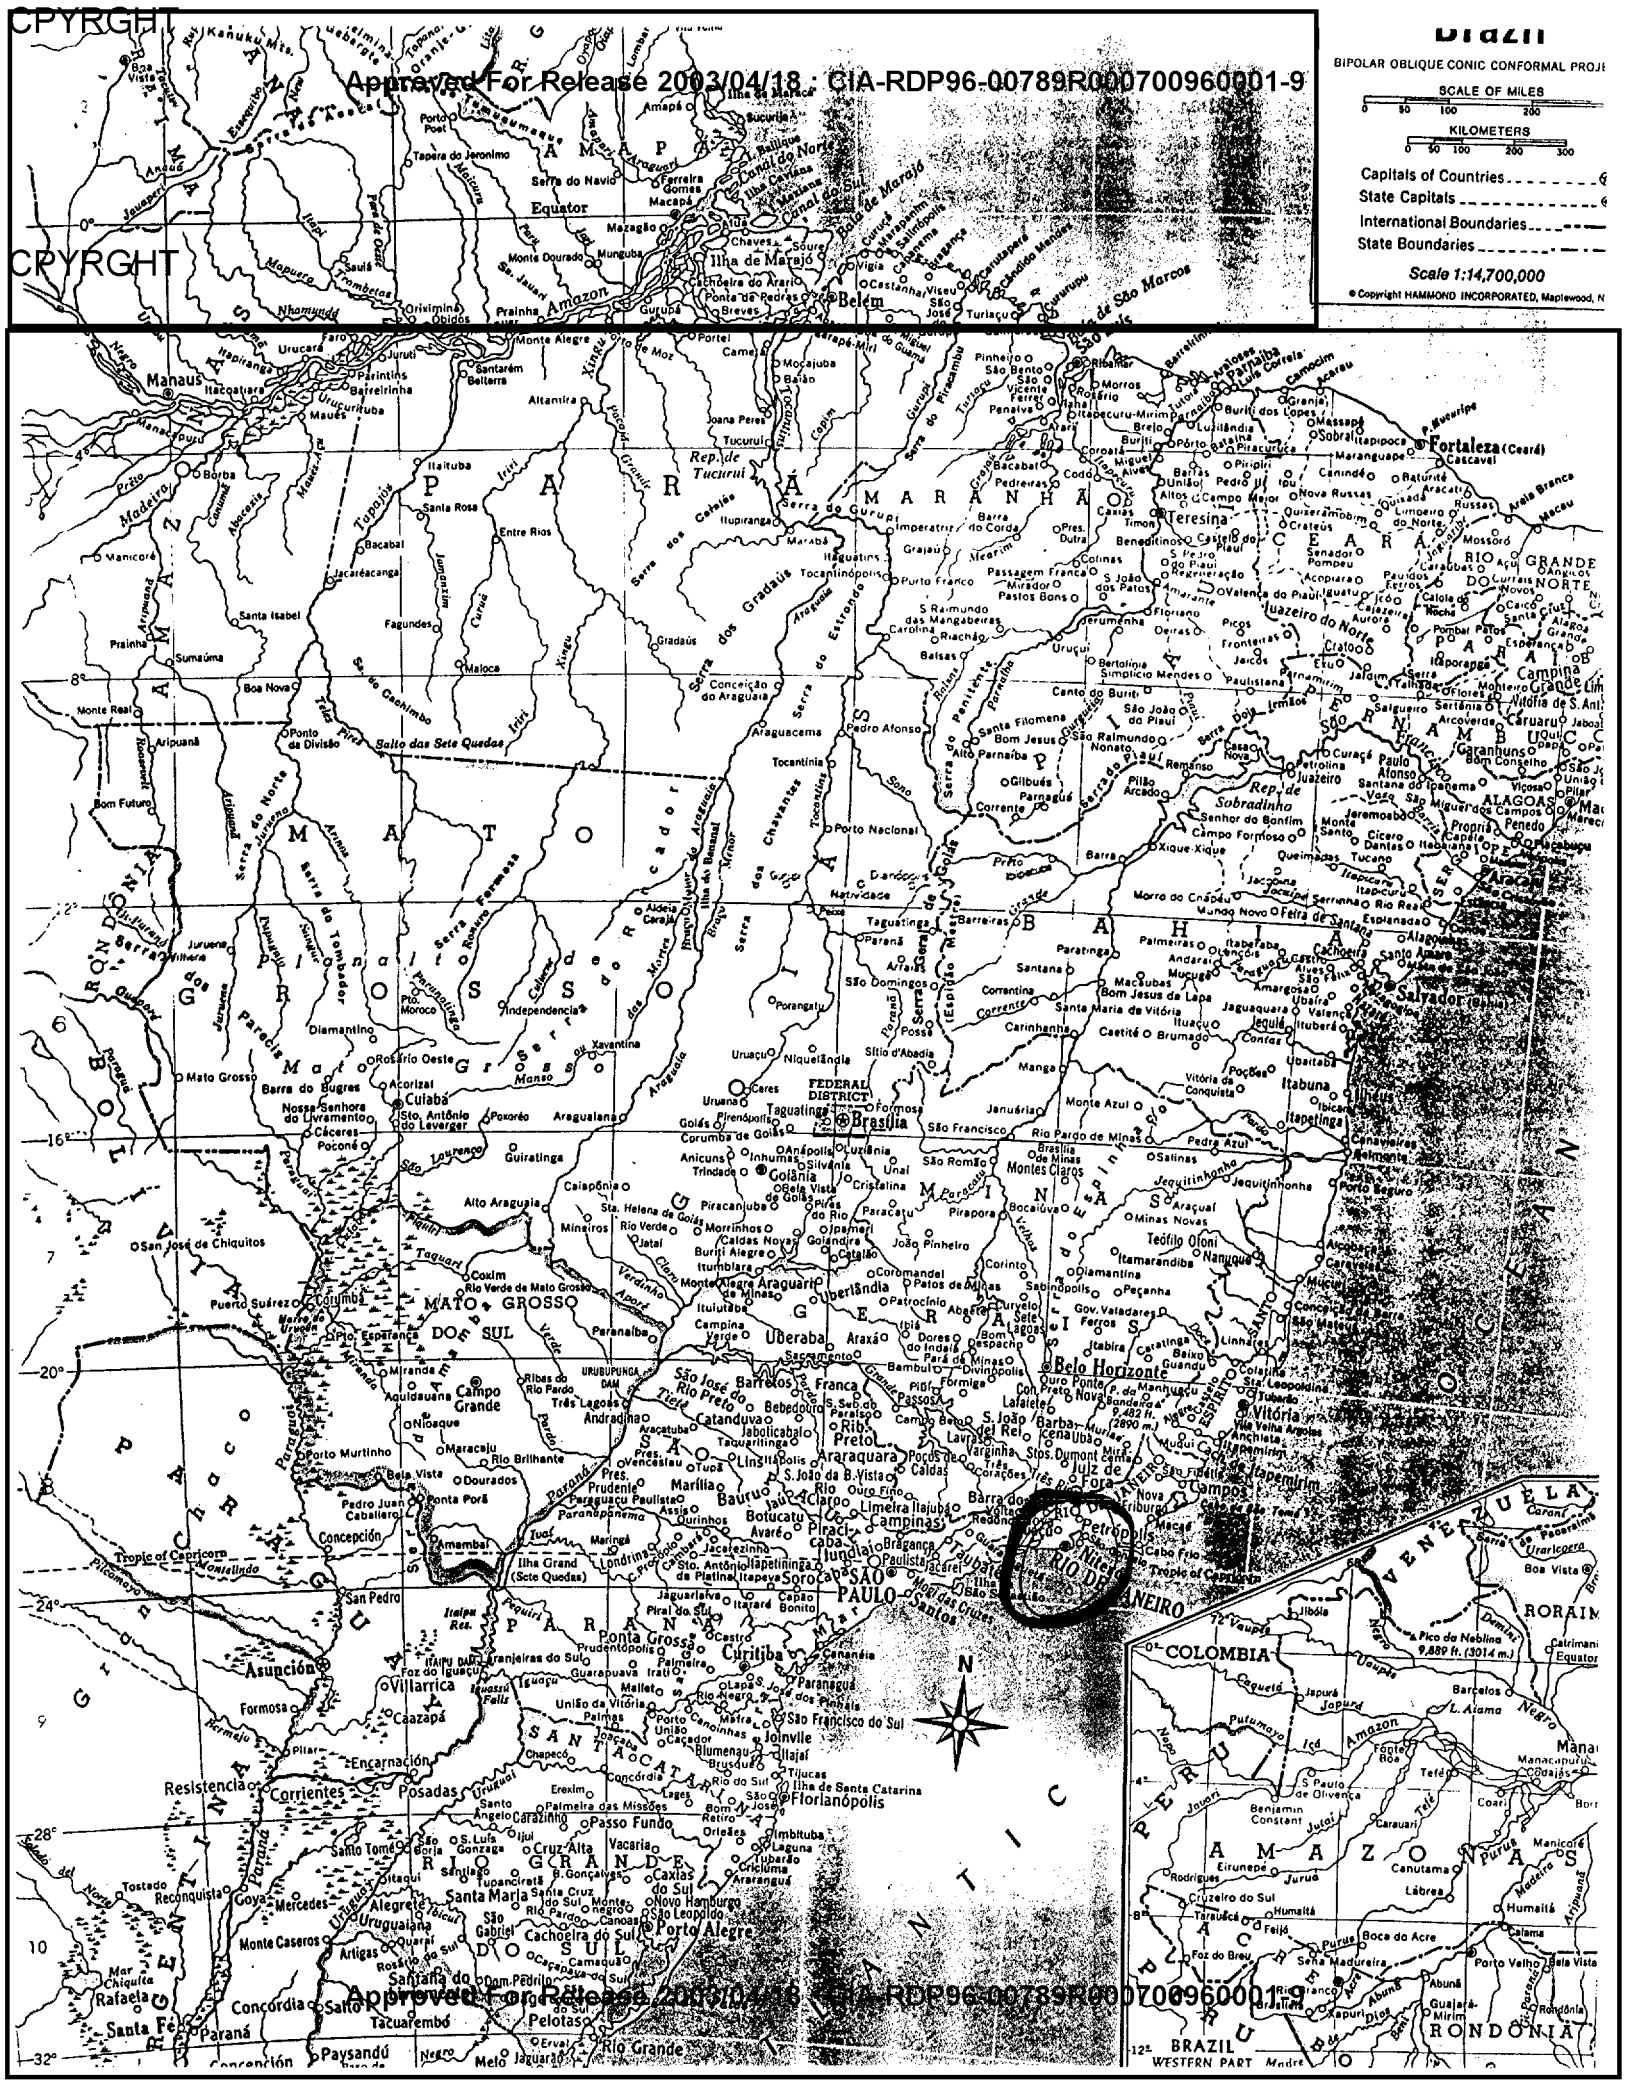

The target is using an assumed name (not one on the list).
Location: The target is in Rio de Janeiro, Brazil. He did not fly into the Rio airport. He got there some other way.
