SUMMARY OF INFORMATION

Target personality is a warrior, a triumphant person associated with an activity related to "gun control." Male personality was arrested by "men and women" and put in prison. (While in captivity), he worked on roads.

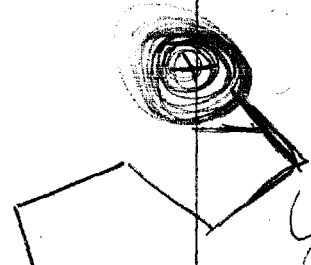

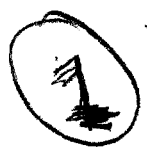

At the time of the event (29 April 1969), personality was in a (sort of) "hull", in a square object located about 50 meters above ground.

Attempts to determine the phonetics of the target personality's identity resulted in the expression "Helmon - Celts"

SG1A

The name "Jeffrey Fergu Surge" (phonetic) associated with the expression "Nepipolo" (phonetic), appeared important and identifiable to the target personality.
