E. **SESSION SUMMARY**

SG1A

[   ] is a Far Eastern individual based on his name who has been suspected of illegal activities for quite some time. He has been successful in the past and is aware that people are looking for him due to his shadey deals. He is currently located around a shore or water where there are some sail boats. He lives on the second level of a structure near down town. He maintains his contacts by cellular phone and is known to wear red sports shirts or loose fitting tank tops to suit the weather. [   ] has SG1A traveled and is part of a network of people who are involved in an array of illegal dealings for money. Tracing this man would be the best means of catching him in the act.
