Town is squeezed into a pass, not a valley.

CAR OUT FRONT

Site is "way up in the hills", like nothing to the North except dry, rocky mts ~~with~~ w/ no water

determined

Plans being made, captors very nervous, Town's people not aware of his presence. Captors not sure what to do w/ him.  
A/S "Tiger by the tail"; can't let go ~~of the tail~~.  
Captors nervous, not "cool, calm & collected"

Higgins was taken to an area near the port, then transferred to another vehicle before being moved up to the heights.

Shadows, street pictures from the bright sun for part of the day.

Captors very nervous, Higgins calm and angry, Terrier

1 hand bound & tied to chair.

Captain - minor leader, trying to make contacts, get in touch with other person/group that he supports.

Captain leads ~~that~~ in late twenty, not a lot of experience.

Hea and several others gone, leaving young guards.

Captain made decision on his own - slightly concerned that he may have "screwed up" but knows that he will ultimately be assisting "the cause."

No immediate plans for Higgins. ~~At the Regency~~
