SESSION SUMMARY

18 FEB 88

SUBJECT: LTC HIGGINS

As of 1533 hours (EST), on 18 February 1988, LTC Higgins
was located in a city or village somewhere ^{EAST} ~~west~~ of Tyre, in the direction
of Ma'irakah or Markaba. He is in a very old part of this city/village.
The buildings are very, very old and have very few windows. There
seems to be some sort of awning attached to a key building. This
building appears to be located within, or adjacent to a bazaar.
Visible in the background, are the walls of a large, castle-like
fortress. (see sketch and description, pages 4 and 5, this session)
