13a. Information pertaining to classified contracts or projects, even though such information is considered unclassified, shall not be released for public dissemination except as provided by the Industrial Security Manual (paragraph 5c and Appendix IX).

b. Proposed public releases shall be submitted for approval prior to release Direct Through (Specify):

Public Release of SCI is not Authorized.

to the Directorate for Freedom of Information and Security Review, Office of the Assistant Secretary of Defense (Public Affairs) * for review in accordance with paragraph 5c of the Industrial Security Manual.

* In the case of non-DoD User Agencies, see footnote, paragraph 5c, Industrial Security Manual.

14. Security Classification Specifications for this solicitation/contract are identified below ("X" applicable box(es) and supply attachments as required). Any narrative or classification guide(s) furnished shall be annotated or have information appended to clearly and precisely identify each element of information which requires a classification. When a classification guide is utilized, that portion of the guide(s) pertaining to the specific contractual effort may be extracted and furnished the contractor. When a total guide(s) is utilized, each individual portion of the guide(s) which pertains to the contractual effort shall be clearly identified in Item 14b. The following information must be provided for each item of classified information identified in an extract or guide:

(I) Category of classification. (II) Date or event for declassification or review for declassification, and (III) The date or event for downgrading (if applicable).

The official named in Item 12b, is responsible for furnishing the contractor copies of all guides and changes thereto that are made a part of this specification. Classified information may be attached or furnished under separate cover.

- a. A completed narrative is (1) attached, or (2) transmitted under separate cover and made a part of this specification.
- b. The following classification guide(s) is made a part of this specification and is (1) attached, or (2) transmitted under separate cover. (List guides under Item 15 or in an attachment by title, reference number and date).
- c. Service-type contract/subcontract. (Specify instructions in accordance with ISR/ISM, as appropriate.).
- d. "X" only if this is a final specification and Item 6 is a "NO" answer. In response to the contractor's request dated _____ retention of the identified classified material is authorized for a period of _____.
- e. Annual review of this DD Form 254 is required. If "X'd", provide date such review is due: _____.

15. Remarks (Whenever possible, illustrate proper classification, declassification, and if applicable, downgrading instructions).

a. This contract requires access to SCI. The Defense Intelligence Agency has exclusive security responsibility for such information released to the contractor or developed under this contract. DIAM 50-5 provides the necessary guidance for physical, personnel and information security measures and is a part of the security specifications for this contract. DCASR is relieved of responsibility for all SCI material or information released to the contractor under this contract.

b. Foreign national employees of the contractor or subcontractor(s) are not authorized access to classified information resulting from or use in the performance of this Contract.

c. The Contractor shall notify the COTR in writing no later than five (5) days after receipt of the contract of the following information regarding the individuals assigned to work on this contract.

- (1) Name
- (2) Date and Place of Birth
- (3) Social Security Number

(SEE CONTINUATION SHEET)

c. Final classification of the information generated under this Contract is the responsibility of DIA (DT-1A). Information generated under this Contract is subject to the guidelines contained in DoD Regulation 5200.1R, dated 2 November 1978, which implements EO 12065 which became effective 1 December 1978. Technical reports classified as high as TOP SECRET SI/SAO will be provided the Contractor by DIA and other DoD activities, and other DoD contractors for use in connection with this Contract. These reports may be retained for the duration of this Contract unless no longer needed. Upon termination of this Contract, the reports shall be returned to the sender (if required) or destroyed in accordance with current security regulations. If these documents are to be retained beyond the ending date of this Contract, written justification must be forwarded to and authorization given by the Contracting Officer.

e. All copies of final documents generated by the Contractor under this Contract will be transmitted to DIA (DT-1A) for dissemination to the Grill Flame Committee. No other distribution is authorized.

f. Use of the ARFCOS system is required.
