MEMORANDUM FOR RECORD

SUBJECT: Continuation of CENTER LANE MIAS Advanced Training (S/CL-4/NOFORN)

1. (S/CL-4/NOFORN) During an INSCOM CENTER LANE Project (ICLP) update brief on 13 April 1984, MG Stubblebine, CG, USAINSCOM stated that during his 13 March 1984 visit with LTG Brown, Director of the Army Staff (DAS), HQ, DA, the DAS directed cessation of all INSCOM involvement with Monroe Institute of Applied Sciences (MIAS). LTC Brown's directive was based on his perception that there was inadequate oversight of the INSCOM RAPT program with MIAS. MG Stubblebine concurred with the decision to cancel RAPT until the program could be evaluated, but recommended to LTG Brown that not all involvement with MIAS be terminated because the ICLP has separate advanced training programs with MIAS and Mr. Robert Monroe which were not connected with RAPT but are important to ICLP. LTG Brown approved the continuation of the ICLP training with MIAS and Mr. Monroe.

2. (S/CL-3/NOFORN) MG Stubblebine directed LTC Buzby to prepare an MFR on LTG Brown's decision and to use that as the basis for ICLP continued involvement with MIAS and Mr. Monroe.
