TRANSCRIPT SUMMARY

REMOTE VIEWING (RV) SESSION D-89

1. (S/NOFORN) The remote viewer described a group of approximately 30 hostages in building "Metro." The viewer stated that these hostages were not housed at this location, but were brought here for exercise and recreation. He described this group of hostages as being less important to the captors than the remaining hostages. The viewer also felt the two female hostages were a part of this group. He also mentioned a rear entrance/exit to this building that went underground.
2. (S/NOFORN) During debriefing the viewer mentioned that he felt this building was being utilized as an exercise facility 2-3 times a week, depending on availability of guard personnel.

TARGET CUING INFORMATION

REMOTE VIEWING (RV) SESSION D-89

1. (S/NOFORN) The remote viewer has been working against the Iranian hostage situation for almost a year. He has been exposed to a myriad of open source and classified information during this period of time. He knew he would be working against the hostage situation prior to this session.
2. (S/NOFORN) The remote viewer was shown overhead imagery of the US Embassy compound in Teheran, Iran. The building designated as "Metro" was pointed out to the remote viewer by the interviewer. The viewer was told that this building had served as the Embassy commissary. He was asked to go to building "Metro" and determine if there were any US hostage personnel at this location.
