1. Chief, SA Branch concurrence in TDA were VERBALLY PASSED TO CW3McGuire.
 2. CW3McGuire said that other INSCOM elements having personnel attached to SA Branch would maintain those individual's authorized spaces on their respective TDA's.
 3. CW3McGuire said that the other three "required" spaces in line #'s 03, 04, and 05 are merely an artificial "fill out" from other ADCSOPS-HUMINT elements. The purpose is to give SA Branch an apparent greater visibility and provide a greater TDA significance than there would be if only the three authorized spaces were shown.
