After this exchange of data [REDACTED] asked if sessions were still on-going with regards to Dran. I said; yes, that we were trying to accomplish 3-4 per week. He then asked if we were utilizing all of our sources or only a few. I stated that we were utilizing all our sources with the exception of myself, who has been functioning as interviewer and coordinator of this tasking. I also told [REDACTED] that the session scheduled for today was cancelled due to excessive ambient room noise.
