monitor Statements

1. Page Through your previous session - IN THIS SESSION you need to re-acquire this site moving first to the outside and then directly inside. Caution - Don't pass through time because the nature of the intelligence questions concerns the activity today - - another time period will significantly skew the results - "No coordinates - I'll move directly to Stage IV."

---

2. I'm in the entrance alone no drive to move - "LYN - In this structure there are many areas of interest - begin your own search to get acquainted with the building - get comfortable with it. You will receive specific tasking later"

---

3. You have identified the fact that this building has ~~at~~ more than one story. You need to get a feel for the size of this building which will aid you in your search.

---

4. People kym - You may need to identify the activity of the people. This will aid you in getting to know this facility.

---

5. You are door knocking on one woman - give me a general overview.

---

6. You have given a general overview of the people - Now I want you to move to one of the upper floors - There is a special area where some, not all of these people go - Go to this special area and get comfortable with it.

Monitor Questions

7. it will aid me as well as yourself to full identify the configuration, gestalts, furniture arrangement size etc of this room.

---

8. You don't seem to be able to reconcile the fact that you can only see three walls - Perhaps the room isn't square -

---

9. I'm interested in the "blank" wall - its an unusual reference. How would you clarify that

---

10. OK - you have not referenced any activity by the people in the room and ultimately that may be important to your <sup>no more.</sup> understanding of this site, OK for a day or two time movement

---
