SUMMARY OF INFORMATION

A long building has a high dome arched ceiling composed architecturally of squares on the inside walls (refer to sketch number 1). This building is for officious use and provides a public service. History, marble floors, and pictures including artwork are here. In one room, there is a large desk and a leather chair. In a separate room, groups of people are seated watching in the dark. Energy movement, rotation in increments of people is found in this area (refer to sketch number 2). This building is in a large city. Objects which can be located include paintings with gold frames, light projection (flashes), chairs/tables, a glass exhibit, an animal skin stretched over something to create an object, and elevators. The building has old and new construction. Many people visit this place to see it and to receive the public services provided.
