SUMMARY OF INFORMATION

The problem in this area has to do with traffic and transportation routes to and from an area where an ^{arsenal} arsenal of weapons are kept.

The new government and the new government heads will not be in place for another three to six months.

The main issue here is the U.S.'s position in this area. The U.S. will have the assistance of other countries, to include the Soviet Union on the policy issue concerning this area.

The Organization of American States (OAS) plays a significant role in assisting the area and the U.S.

The names "Dr. Owens" and "Mr. Fellows" phonetically surfaced as being related to this issue.
