SUMMARY OF INFORMATION

The cue "8939" representing a target individual elicited the following information: The target individual is dead and deep under water. A heavy weight is trapping his body. His body will not be recovered unless this weight is lifted: allowing his body to float to the surface.

— Post session Debriefing indicated the following data considered too analytical to be included in the summary: "There was a shot, a crash is involved, he is pinned under a structure at the ~~crash~~ (crash) location.
