Ised : ERV

Method used : Aids/Distractions (PIs):

Pre-session hunches (AVs):

Date Summary Returned : 3/13/92

D. EVALUATION DATA:

Viewer's Estimate : Evaluator's Estimate :

E. <u>SESSION SUMMARY</u>:

The target personality is a man of foreign origin. He has dark hair, a receding hairline, and is very sad. This man is important, we have had difficulties with him, and he has taken a fall in the past. He is in a confined space with walls inside a structure. His environment consists of miles of dry land, structures, and many people. He is taking on a challenging risk, in avoidance of a conflict. He has recently formed new communications or relations with people which has put him in the forefront, providing a renewed focus on him. He would like to be released from fear and wants support. His fight will cease. He is trying to move forward without capitulation. This is a severe man in bad circumstances, but he is willing to "follow the leader" and will in time be considered an advisary.
