SUMMARY (P. 10)

48° 09' 35" N
017° 08' 30" E.

Memorial to bravery, the Bridge of the Slovak National Uprising (above) at Bratislava honors partisans who fought the Nazis — and offers diners in a tower-crowning restaurant a view of the land they fought over.

Windows of the new Hilton hotel in Budapest yield a crazy-quilt image of rebuilt Fishermen's Bastion, named for the guild charged with the original rampart's defense.
