SUMMARY OF INFORMATION

The target resembles a "tent for rent" with a symbol. See ENCLDURE 1. It is carried in a "box car/shuttle" (baggage). The object "has a gunning effect--it wipes out" (explosion?).

There are perceptions of a cemetery, a base, (a group of) "girls", and "servicemen."

"This is a plane crash - shameful - terrorism - Flight 301" (Flight 103).

The bomb was placed in a communication device by a little, short, (even somewhat) gentle person who was aware of the consequences of placing a bomb aboard the plane.

This person will be apprehended and brought into custody in England.

A "picture of a witness" plays a role in this apprehension - not further described.

(THIS IS A SUMMARY PREPARED BY THE OPS OFFICER FROM NOTES TAKEN DURING THE SESSION.)

SUMMARY OF INFORMATION

The target is the flight 103 plane explosion which was an act of terrorism that killed many people. The bomb was put in a communication device for listening which is similar to a radio (humming). A foreign short man from a third world country was well aware of bringing the bomb on board and the damage that would result. He has already been identified and will soon be brought into custody in England.
