SUMMARY OF INFORMATION

This area has outlying trees, water, sand, land, and structures (buildings). The climate is not tropical but it gets hot and dry. There is a marina with boats (steam exhaust, umbrellas and railings). People are working and fishing. The people are foreign with long black hair and wear various types of dress including light caky pants, cloth robes, and casual outfits. There is physical labor here. Some people are creative in thinking of new ways to do things. There is much movement (mobility). This site is a way of life. Within the forest area, there is a white explosion of hot molten material. See attached sketch.
