OBJECT —

something rounded, curved, arched, with something flat across the top — like the feeling of a bridge

personality — the subtlest of whom I know
 the subtlest of whom I know, the subtlest of whom I know
 the subtlest of whom I know, the subtlest of whom I know
 the subtlest of whom I know, the subtlest of whom I know

PERSON — feeling of like a tree — tall, strong, rugged
 dressed in black suit — overwhelming association
 with a Abraham Lincoln type character —
 like a self made man — ahead of his time —
 quite often misunderstood frequently misinterpreted and taken
 out of context — what I'm trying to say is that people have
 taken his work and by ~~adding~~ their own interpretation
 have totally changed it to be hardly recognizable —

ACTIVITY — much thought goes into the activity ~
an awful lot of concentration. Inventing, conceptualizing,
imagining, writing ~

ACTIVITY —
