E. **SESSION SUMMARY:**

The target site shows a view of the grounds and is brightly colored. This is a place where large numbers of people come to visit and walk around the site. There is a pattern cut out in the ground and there are some benches for people to sit on. A famous man died here and this site has historical significance. A white structure is present. This may have been someone's personal home or estate some time ago which is now open to the public.
