    Evaluator's Estimate   :

E. **SESSION SUMMARY:**

There are some land and water elements to this site. There is also a structure which has length and is high or raised above with stairs going upward. The structure is in the center and something surrounds it in the background. This structure has a forward action which is for the purpose of movement or travel. It can be driven and has power or pure energy. The target may be a boat.

On leave
