- E. SESSION SUMMARY:

The target area is located outdoors and has structures and water. The purpose seems to be amusement and enjoyment. There are at least two people at the target site, and possibly animals. There is one old man with grey hair, a gray beard, a red flannel shirt, faded overalls, wearing a hat and possibly smoking a pipe. He is sitting on a bench. There is also a little girl with brown hair, pulled back with a dark colored ribbon, and brown eyes. It is very noisy and loud in the target area, and there is a bad smell.

There is also a long narrow structure sticking out from open area, and a rounded object that is next to it, (see concept sketch).
