DATA SUMMARIES

Project 94-270-0

(S/NF/SG/LIMDIS) Following are the perceived highlights from each source.

- (S/NF/SG/LIMDIS) Source A:

-- The target vessel is medium sized and light in color. It is located south or south east of the United States. The activity is narcotics smuggling and four to five men are involved in this scenario. Two of these men are of interest in particular and are suspected of illegal drug activity. This vessel will travel in a northern direction in the future in an attempt to make a connection.

- (S/NF/SG/LIMDIS) Source B:

-- The target vessel is a multi-hulled ship i.e. catamaran or trimaran. It is white and blue. It has a bizarre or uncommon motor/engine/energy source.

-- It is somehow related or otherwise associated with either a produce grower or tree nursery owner west of Miami, Florida.

-- The concept of sheets of plywood is somehow associated with this target.

-- The phonetics **LAZY GIRL** and/or **GIRL'S ----** are associated with the target. It's location is associated with the term **STINGRAY** i.e. Stingray Cove or Cay or Bay or something like that.
