KNOWLEDGEABILITY CONTROL (U)

(S/SG/NF/LIMDIS) Project STAR GATE is a Limited
Dissemination (LIMDIS) project which means that
knowledgeability control must be maintained at all times.
The Knowledgeability Control Authority (KCA) for project
STAR GATE is the Defense Intelligence Agency Assistant
Deputy Director for Scientific and Technical Intelligence,
████████████████████████████ ate KCA is the Branch
████████████████████████████ The KCA is responsible for
granting or denying individuals knowledgeability of this
LIMDIS program. Personnel requiring knowledgeability of
project STAR GATE will submit a request to either the KCA
or the AKCA.

(S/SG/NF/LIMDIS) A Knowledgeability List of all
individuals having knowledgeability of the LIMDIS protected
information will be maintained by the Chief, DT-S. A
knowledgeability list of all individuals in your
organization having knowledgeability of project STAR GATE
will be maintained by your organization. Personnel will be
listed by name, rank/grade, social security number,
organization, position/title, and the date granted
knowledgeability. The list will be classified SECRET. DIA
reserves the right to insure that your list is updated and

current. Any STAR GATE document in your organization will

have a Knowledgeability Control Record attached to it and

anyone reading the STAR GATE document or report will write

their name on the record sheet. This form will assist you

in maintaining the required Knowledgeability List and

maintain knowledgeability control. DIA will request a

comeback copy of this form once it is filled out.

Verification of an individual's knowledgeability of the

project will be done by checking the latest edition of the

knowledgeability list.

(U) Knowledgeability of project STAR GATE will only

be granted to United States citizens possessing a final

SECRET or TOP SECRET security clearance. The determination

made by the KCA will be based on whether or not the

individual requires knowledgeability in order to perform

his or her respective duties.

(U) Requests for knowledgeability of this project

will be submitted to the KCA or AKCA. The following

information should be included:

    a. Command, agency, or organization.

    b. Duty position or job title.

    c. Name, rank/grade.

    d. Final security clearance level.

    e. Justification.

    f. Additional comments if necessary.
