Monitor: 018

Colors at the site are yellow, brown, and gray. I didn't get a feeling for one main color. The site smells dusty. Something about the site is round and/or like an octagon. I don't hear any sounds at the site. Something at the site is big, taller than I am, and wide. Something at the site is rough. There's no particular lighting at the site. Lighting isn't important to the site. There was no impression of the purpose of the site. Temperature felt at the site was warm but not hot. There is a book at the site or a book has something to do with the site.
