SUMMARY OF INFORMATION

During this session, I first saw a large object that looked like a gun or gun turret. There were men around the object.

I then found myself beside a small body of water. <sup>\*</sup> (At this point, it seemed as though something turned over or reversed <sup>or closed down</sup> itself. It may have been a small boat. *(boat)*)

The word "bubbling" phonetically surfaced.

The area seemed to be warm or hot and arid and tropical.

The people reminded me of Middle Eastern or Hispanics.
