SUMMARY OF INFORMATION

The site is a Soviet based industrial/technology complex and is concerned with supply and demand and logistical support in the intelligence field. An intelligence network operates here. Much work goes on here. The people that work here are military and military related personnel. There is a war memorial here. ND

Words that kept surfacing during this session were "preoccupation and war zoning." The word "suttle" phonetically surfaced during this session. ?

There are boxes or squares here and the movement is up and out. The purpose is progress.
