4 1/2 - seems standard enough; Areas to the N/E & S are open and defensibly (visibly) not difficult. Mts/hills to the West are a security threat. Seems like several attacks (by a/c-rebels) have come from this direction. Seeks to interdict or possibly surround attackers. Possible less than 2 Divisions reg. units.

The N. Primary job is security / protection for N-S corridor
 out in front.

Mission

Hold area
 Secure LOC's
 Respond to orders from high

Patrols sent into hills - patrolling is part of measure taken.

Seems all fairly standard, but his presence (skills, etc) are required to ~~be successful~~ - capable person needed.

A/S - could ~~be~~ a Sov Gen Staff officer - would do well as Sgso.
