### Location 3 3<sup>rd</sup> Floor -

Quiet room. Long room.  
 Long table. Small desks  
 facing each. The men  
 come here to learn. No  
 disputing or arguments. The  
 men are the end results  
 themselves. This area  
 kept reminding me of  
 a library or church where  
 one comes and accepts  
 fact. These people are not  
 trained but are programmed.  
 They have a relaxed attitude. A  
 close-knit network. They  
 stay in touch with each other.  
 They go other places to work.

### Location 3 2<sup>nd</sup> Floor.

A smaller room.  
 Very decorative chairs. Dark  
 elaborate chairs. People  
 write, add on to reports.  
 These people are very clean  
 and honest. People  
 working close to each  
 other, standing up. Papers
