Tensions will heat up in the Middle East. It seems as though some Arab countries (Syria) will want peace negotiations with Israel. This will cause other Arab countries anguish. Turmoil will result.

There will be riots and uprising in North Korea. Students and young people will be involved. It seems as though a new somewhat democratic party has been formed and these people are plotting against the current regime.

China will have advancement in the medical areana.

There may be drastic measures taken by federal agents in Waco, Texas to offset the current situation.

There will still be earth tremors in Howard County, Maryland.
