E. <u>SESSION SUMMARY</u>:

   The individual was an older male and he seemed to be sitting.
I could see a front profile. He seemed relaxed and quite content.
He had dark hair but part of his head could have been balding.
There was a lot of blue with the individual or site. The
individual's eyes seemed light in color. He could be holding an
object or small objects in his hand. He seemed stately. Gold,
brown, green, and purple are other colors associated with the
individual. The individual was meticulous. He seems to be a
communicator. Sometimes it looked as though the individual was
wearing a hat. If not, he may have the type of job where he wears
a certain hat. The background around the individual seemed old and
an ancient feeling came to mind.

The individual is not real thin & sometimes he looked slightly heavy especially around the shoulders. (He had rounded shoulders)
