

TOPICAL SEARCH - COMMENTS:

- The topical search consists of the conduct of a remote viewing session directed against targets whose outcome is in future time. It is predictive in nature and normally addresses targets of distinctive high interest and public notoriety.

- Request you conduct a topical search and provide available information, if any, for the period ending 2400 hrs, 27 Feb 92 (Thursday). Targets may include but are not limited to acts of God, accidents/catastrophes, political/military events, events related to criminal justice, significant human accomplishments etc.
