SUMMARY ANALYSIS

REMOTE VIEWING (RV) SESSION D-22

1. (S/NOFORN) This report documents a remote viewing session conducted in compliance with a request from SOD, J3, OJCS, Pentagon, Washington, DC. The purpose of the session was to provide information relevant to the hostage situation in Iran.
2. (S/NOFORN) The remote viewer's impressions of the target are provided as raw intelligence data, and, as such, have not been subjected to any intermediate analysis, evaluation or collation. Interpretation and use of the information provided is the responsibility of the requestor.
3. (S/NOFORN) The protocol used for this session is detailed in the document Grill Flame Protocol, AMSAA Applied Remote Viewing Protocol (S), undated.
4. (S/NOFORN) Following is a transcript of the viewer's impressions during the remote viewing session. At TAB A is target cuing information provided the remote viewer.
5. (S/NOFORN) The remote viewer was asked to access target area "September" and determine if any U.S. hostage personnel were at this location. The viewer did not locate any personnel at this target, with the exception of night watchman outside.

TRANSCRIPT

REMOTE VIEWING (RV) SESSION D-22

TIME

#14: This will be a remote viewing session for 3 September 1980. Mission time is 1100 hours.

All right #36, the time is now 1100 hours. Your mission for today is to go to target area "September". I want you to tell me if there are any hostage personnel at this location. Relax, focus your attention. Focus your attention on target site "September".

PAUSE

+04 #36: I been all around in here...I don t see any of us..... It's very quiet.....

#14: As long as you're there, give me a brief description of this building.

+06 #36: The inside entry way is very tall ceiling.....and stairs on....fancy stairs on the left...cream color...fancy molding, wainscotting...about four foot high.....very high ceiling..... Hallway seems to...having trouble following it, it goes...it doesn't go straight, to the left.... I can't seem to get on the upper floors..... It's almost as if I'm looking at a...a model of this place, it's just dead.....

I'm not getting much.....

#14: Focus on the upper levels of this building. Describe those to me.....

#36: In one of the rooms I kinda draw some kind of keyboard... I lost it..... Seeing a lot of blue...blue color..... musty odor...inlaid floors, a pattern..... I'm back on the ground floor... Outside, east side....is someone under an overhang...leaning against the building. Get the feeling of light colored clothing..... It's dark...this is some kind of watchman, or something.....

#36: That's about it.

#14: Okay, I have no further questions. We'll pause now for debrief.

SECRET

SECRET

#14: Okay, we're ready for debrief.

#36: Well, I didn't see anyone in the building. Only person I saw was someone outside who seemed to be a guard or a watchman of some type...feeling of boredom. That was the only individual I saw around the whole place. It seemed like it was boarded up or something, not boarded up, but closed up, was a very musty smell to the building. That was about it. I definitely had no feeling of hostages in the building anywhere.

#14: Okay, end of session.

TARGET CUIING INFORMATION

REMOTE VIEWING (RV) SESSION D-22

1. (S/NOFORN) The viewer has been exposed to open source news media information, classified overhead imagery and photographs of many of the hostage personnel. He knew he would be working against the hostage situation in Iran.
 2. (S/NOFORN) At the time of the session the remote viewer was shown overhead imagery of target site "September". The target location was pointed out to the viewer by the interviewer. The remote viewer was then asked to access the target and determine if any U.S. hostage personnel were being held at this location. The imagery is not included herein due to its classification.
