A
SUMMARY OF INFORMATION

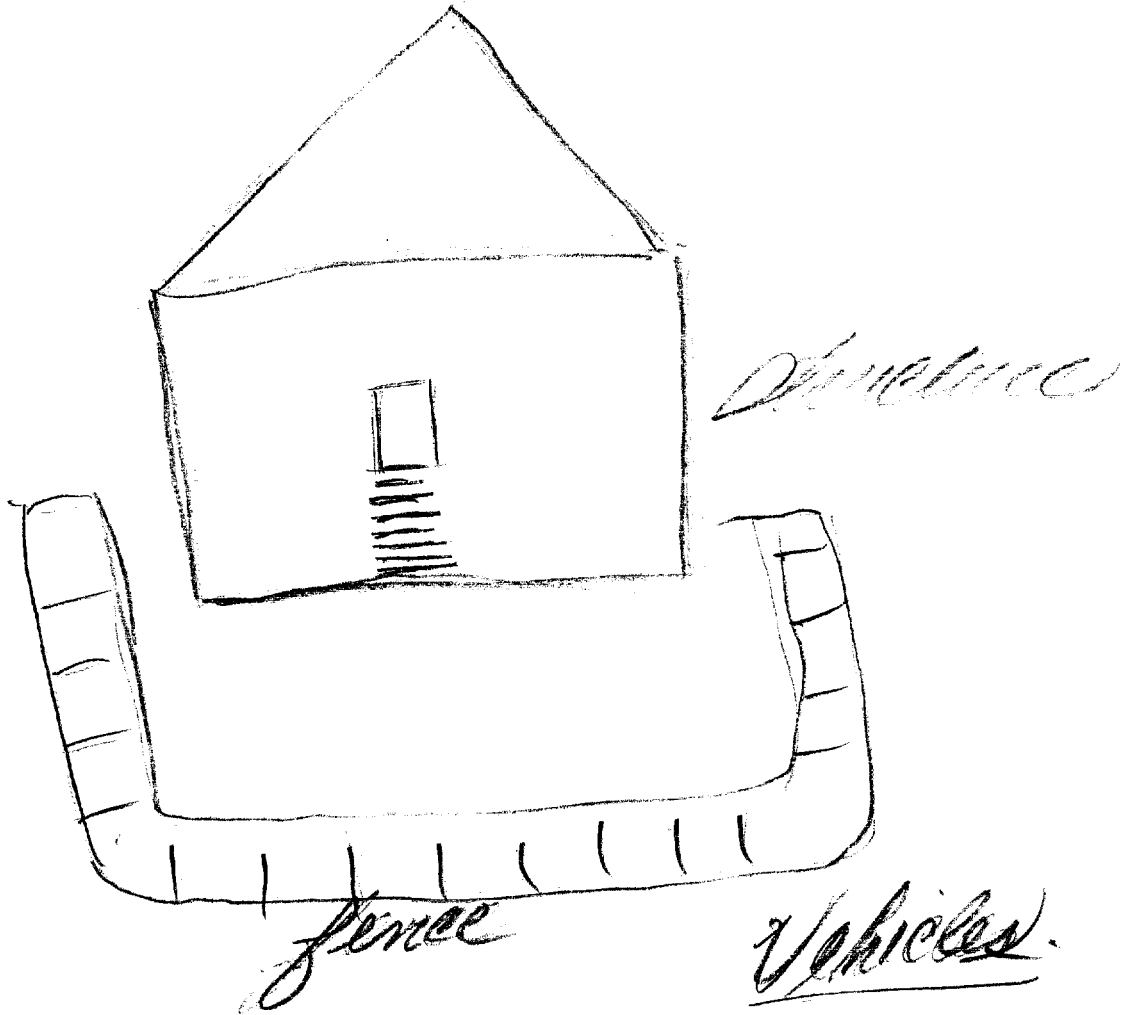

A wood pen structure is present with windows, a small fence, and a long oval area in front. There are vehicles and roads. An awning or umbrellas can be found at the site. The area is warm, inland, with sporadic trees, and red dirt.

Drugs are transported by airplanes. However, the drugs pass through the structure in travel route. Certain individuals are directly associated with this structure for money profit. They are dangerous and are willing to take prisoners if necessary, in order to carry out their operations. Parachuters are involved.
