1. (S/SK) MISSION: To describe the target site [REDACTED] in Stage 4 terminology.
2. (S/SK) VIEWER TASKING: Encrypted coordinates only.
3. (S/SK) COMMENTS: No Physical Inclemencies. 052 progressed slowly and cautiously through stage 4, producing both good information, and a lot of ADL. Post session discussion centered around the fact that some sites are really simple, and that a Viewer may try to generate information when there just may not be that much information to get.
