PROJECT SUN STREAK

*23 Jan 89*

WARNING NOTICE: INTELLIGENCE SOURCES AND METHODS INVOLVED

---

PROJECT NUMBER: 230	SESSION NUMBER: 1
DATE OF SESSION: 890109	DATE OF REPORT: 890109
START: 1000	END: 1040
METHODOLOGY: CRV	VIEWER IDENTIFIER: 032

---

1. (S/NF/SK) MISSION: Access and describe in training target #0230, the Library of Congress.
2. (S/NF/SK) VIEWER TASKING: Encrypted coordinates 021701/735589.
3. (S/NF/SK) COMMENTS: 032 suffered severe ADL drive, which appeared to be due to his unobjectified PI of extreme sinus problems (he could hardly breathe). Session was terminated prematurely. Because of his past stage 4 record and because of the danger of boredom and overtraining, 032 should move on to stage five. He has been assigned to write his stage four final essay on 890110; the stage 5 lecture (given by 003) is set for 890111 and depending on how quickly he assimilates the material, stage five sessions will begin on 890113 or 890117. In stage 5, I will continue to emphasize in training the stage four skill of identifying between ADL, ADL/S and good data and will also stress use of the I column. I also plan to continue the practice of ending each good session with a search and stage 7 exercise.
4. EVALUATION: 1.
