5-1/2 a mixture of passivity + warlike-ness

ALS  
 of people in dark bulky clothes standing + walking  
 around in snow, waiting, but also looking for  
 something. All seem depressed. To their left rear  
 is a group of buildings all fifty - some a  
 neighborhood each other. Don't seem to be dwellings -  
 more like storage or low intensity industrial  
 facilities, or maybe military-related structures.  
 Area is open, but hemmed in by higher elevations  
 (Hills) with ALS stands of straight dark trees.  
 Much open space w/ some vegetation + snow -  
 reminds me of white sage flats in the high  
 ranges of the Great Basin
