end.

Fair face of a dream realized reflects in the mirror of a fish pond. From the columned portico of the west front, the Sage of Monticello watched grandchildren at play, organizing their games and races. Monticello's stepped shoulders around the dome disappeared with extensive

decay in the
in 1954-5.
original des

"Our own dear" especially where the Nature spread such a mantle under the ever-mountains, the woods, rivers... The letter on described the "immensity of the beloved home. He is not the great, he had done his home" wrote French travel Charles de Montesquieu, "the most beautiful and the most delightful to contemplate the most..."
