E. **SESSION SUMMARY:**

Foot hills are in the background of the site. There is a poor structure which has file cabinets, a bathroom, a kitchen, and an arched doorway on the inside.

This target tells the story of a past event. Actions by people which affect people. Crowds of men are involved. Themes include fighting, loss, and sadness over conflicting issues. Death.

There is also some kind of an auditorium or structure where people gather that is reminiscent of the causes behind the conflict which affect even the common people. This may be some kind of match in a darkened arena.
